NOTE: PROJECTS WITH 100 PTS. FOR CRITERIA "C" HAVE REQUESTED ALLOCATIONS FOR PRIORITY AREA TWO.

\* A COMMITMENT FROM DEVELOPERS TO FRONT FUNDS FOR THE INSTALLATION OF A MAJOR PUBLIC IMPROVEMENT IS NECESSARY.

\*\* CRITERIA DOES NOT APPLY TO SINGLE-FAMILY PROJECTS

**Towne Ranch**, the first project on the list, is an existing and developing project located at 3032 West Turner Road. The project is at the North-West corner of Lodi, adjacent to Turner Road to the North, to Lower Sacramento Road to the East, to the developed Park West Subdivision to the South, and to the Woodbridge Irrigation District Canal to the West. The points shown are based on the approved development plan for the entire Towne Ranch project, not just the portion being considered for allocations this year.

- The Towne Ranch project received 7 points in category A., Agricultural Land Conflicts, for being adjacent to agricultural land on one side, the North side. Maximum points for this category is 10.
- 7 points were awarded in category B., On-site Agricultural Land Mitigation, for designing the subdivision with reverse-frontage lots and, a solid wall with landscaping. Maximum points for this category is 10.
- 200 points were awarded in category C., General Location, for being located within the Priority Area One boundary. Maximum points for this category is 200.
- 5 points were awarded in category D1., Relationship to Existing Development, for abutting to existing development on two sides, the East and South. Maximum points for this category is 10.
- 8 points were awarded in category D2., Relationship to Public Services (Wastewater), for extending the Master Plan sewer line in Evergreen Drive within the project boundaries. The maximum points for this category is 10.
- 8 points were awarded in category D3., Relationship to Public Services (Water), for extending the Master Plan water line in Evergreen Drive within the project boundaries. The maximum points for this category is 13.
- 4 points were awarded in category D4., Relationship to Public Services (Drainage), since the project requires the expansion of Westgate Basin. The maximum points for this category is 10.
- 0 points were awarded in category E., Promotion of Open Space, because this category does not apply to single-family residential projects.
- 8 points were awarded in category F., Traffic (Street Improvements), for extending a Master Plan street (Evergreen Drive) within the project boundaries.
- 0 points were awarded in category G., Housing (Affordability), because the development plan does not specify whether there will be any affordable housing units or programs to make the units more affordable. Maximum points for this category is 10.
- 0 points were awarded in category H., Site Plan and Project Design, because this category does not apply to single-family residential projects.
- 20 points were awarded in category I., Schools (Proximity). Five of the points were for being within one half of a mile from a proposed elementary school, ten of the points were for being within one half of a mile from a proposed middle school, and the remaining 5 points were for also being within two miles of an existing high school. Maximum points for this category is 30.
- 10 points were awarded in category J., Fire Protection (Proximity), for being within a three minute emergency vehicle driving time from the nearest fire station. The Automatic Aid Agreement between the City of Lodi and the Woodbridge Rural Fire District has recently

brought this project within the three minute emergency vehicle driving distance. Maximum points for this category is 10.

The Towne Ranch development plan received a total of 277 points, placing it at the top of the list with the greatest development potential.

**Parisis Property**, the second project on the list is a new project located at 3883 East Harney Lane. The project is near the south-east corner of Lodi, adjacent to Stockton Street on the West, to Harney Lane on the South, to the undeveloped Richards Ranch subdivision to the North, and the proposed Thayer Property Project to the West.

- The Parisis Property project received 5 points in category A., Agricultural Land Conflicts, for being adjacent to agricultural land on two sides, the South and East sides. Maximum points for this category is 10.
- 0 points were awarded in category B., On-site Agricultural Land Mitigation, for not providing a buffer between the project and adjacent agricultural land. Maximum points for this category is 10.
- 200 points were awarded in category C., General Location, for being located within the Priority Area One boundary. Maximum points for this category is 200.
- 3 points were awarded in category D1., Relationship to Existing Development, for abutting to existing development on one side, the West. Maximum points for this category is 10.
- 0 points were awarded in category D2., Relationship to Public Services (Wastewater), since the project requires the extension of wastewater lines from Bluejay Way in the Johnson Ranch subdivision to Stockton Street through the proposed Richards Ranch and Thayer Property developments and an undeveloped parcel north of the project site. The necessary right-of-way has not been acquired. The maximum points for this category is 10.
- 7 points were awarded in category D3., Relationship to Public Services (Water). This score represents the average of 10 points for being adjacent to the existing Master Plan water main in Stockton Street designed to serve the project and 4 points for requiring the extension of a Master Plan line outside the project boundaries but within existing right-of-way (Harney Lane). The maximum points for this category is 13.
- 0 points were awarded in category D4., Relationship to Public Services (Drainage), since the project requires the extension of storm drain lines from Bluejay Way in the Johnson Ranch subdivision to Stockton Street through the proposed Richards Ranch and Thayer Property developments and an undeveloped parcel north of the project site. The necessary right-of-way has not been acquired. The maximum points for this category is 10.
- 0 points were awarded in category E., Promotion of Open Space, because this category does not apply to single-family residential projects.

- 10 points were awarded in category F., Traffic (Street Improvements), will widen and improve existing facilities (Harney Lane and Stockton Street). The maximum points for this category is 15.
- 0 points were awarded in category G., Housing (Affordability), because the development plan does not specify whether there will be any affordable housing units or programs to make the units more affordable. Maximum points for this category is 10.
- 0 points were awarded in category H., Site Plan and Project Design, because this category does not apply to single-family residential projects.
- 15 points were awarded in category I., Schools (Proximity). Ten of the points were for being within one quarter of a mile from a proposed elementary school, and the remaining 5 points were for also being within two miles of an existing high school. Maximum points for this category is 30.
- 10 points were awarded in category J., Fire Protection (Proximity), for being within a three minute emergency vehicle driving time from the nearest fire station. Maximum points for this category is 10.

The Parisis Property development plan received a total of 250 points, placing it second on the list.

**Thayer Property**, the third project on the list is a new project located at 3921 & 3953 East Harney Lane. The project is near the south-east corner of Lodi, adjacent to the proposed Parisis Property project on the West, to Harney Lane on the South, to the undeveloped Richards Ranch subdivision to the North, and agricultural land to the East.

- The Thayer Property project received 3 points in category A., Agricultural Land Conflicts, for being adjacent to agricultural land on three sides, the South, East, and West sides. Maximum points for this category is 10.
- 0 points were awarded in category B., On-site Agricultural Land Mitigation, for not providing a buffer between the project and adjacent agricultural land. Maximum points for this category is 10.
- 200 points were awarded in category C., General Location, for being located within the Priority Area One boundary. Maximum points for this category is 200.
- 0 points were awarded in category D1., Relationship to Existing Development, because the project is surrounded by undeveloped land. Maximum points for this category is 10.
- 0 points were awarded in category D2., Relationship to Public Services (Wastewater), since the project requires the extension of wastewater lines from Bluejay Way in the Johnson Ranch subdivision to Stockton Street through the proposed Richards Ranch and Parisis Property developments and an undeveloped parcel north of the project site. The right-of-way has not been acquired. The maximum points for this category is 10.

- 4 points were awarded in category D3., Relationship to Public Services (Water), for extending a Master Plan water line outside its boundaries, but within existing right-of-way (Harney Lane). The maximum points in this category is 13.
- 0 points were awarded in category D4., Relationship to Public Services (Drainage), since the project requires the extension of storm drain lines from Bluejay Way in the Johnson Ranch subdivision to Stockton Street through the proposed Richards Ranch and Parisis Property developments and an undeveloped parcel north of the project site. The right-of-way has not been acquired. The maximum points for this category is 10.
- 0 points were awarded in category E., Promotion of Open Space, because this category does not apply to single-family residential projects.
- 10 points were awarded in category F., Traffic (Street Improvements), for widening and improving an existing facility (Harney Lane). The maximum points in this category is 15.
- 0 points were awarded in category G., Housing (Affordability), because the development plan does not specify whether there will be any affordable housing units or programs to make the units more affordable. Maximum points for this category is 10.
- 0 points were awarded in category H., Site Plan and Project Design, because this category does not apply to single-family residential projects.
